ANNUAL REPORT OF SCHOOL BOARD

The annual meeting of the Bedford School District was held at the Town hall on Thursday, March 9, 1933, at 2 P. M. The following officers were elected for the ensuing year:

Moderator—William Melendy.

Clerk of School District—Frank Manning.

Treasurer—Henry Blood.

Mr. Geo. H. Robertson was elected a member of the school board for three years.

The town auditors were elected school auditors for the ensuing year.

The district voted to reduce the School Board's budget by five hundred dollars (\$500.00).

The Medical Inspection Action was dismissed.

Bedford is now united with Hudson, Pelham, Litchfield and Merrimack in a Supervisory Union, No. 27, with Mr. Fred Hall as superintendent of schools.

Miss Edith Walker was again re-elected as school nurse and Dr. Manning as school doctor.

The Board organized for the year 1933-1934 with Mr. Geo. Warren as chairman and Mrs. Nettie B. Tarr as clerk.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hudson, N. H., Feb. 1, 1934.

To the School Board and Citizens of the Town of Bedford:

Following is my first annual report as Superintendent of your schools.

Enrollment January 2, 1934:

Grades	1	2	3	4	5	6	7	8	Totals
Steven Buswell (Prim.)	10	10	6	10					36
Steven Buswell (Gram.)					6	16	9	7	38
Peter Woodbury (Prim)	12	10	6	11					39
Peter Woodbury (Gram.)					7	12	10	7	36
Donald Street (Prim.)	3	6	5	8					22
Donald Street (Gram.)					3	9	8	9	29
Totals	25	26	17	29	16	37	27	23	200

Upon coming to Bedford as Superintendent of your schools, I found two vacancies in your teaching staff. Miss Gretchen Smith, a graduate of Plymouth Normal School, with four years' experience, was secured as teacher for the upper grades at the Donald Street School, and Miss Beulah Perkins, a graduate of Keene Normal School, 1933, was secured for the primary grades at the Stephen Buswell School.

I was very much pleased to discover that the schools of Bedford had been consolidated into three two-room buildings. These school buildings were of modern construction and in very good condition. The Donald Street schoolhouse was repaired inside and outside during the summer of 1933. The other two schoolhouses are in fair condition, but will need repainting within the next few years.

During the last year, the school book companies offered a special discount of fifteen to twenty per cent on the return of an equal number of old books of the same kind and grade.

Upon investigation, I found a large number of badly worn books in the Donald Street and Stephen Buswell Schools. When I talked with the school board, they informed me that there had been a complaint in regard to the condition of the books during the last year. The board authorized me to return the old books for credit, and to expend two hundred dollars more than the regular appropriation order that there might be an adequate supply of good text books. These text books have been purchased, and unless there is a marked increase in enrollment, the normal expenditure each year should provide adequate text books for some years.

It seems to me that music is one of the things which should receive special emphasis in the Bedford schools. Adequate supervised music instruction would prove a benefit as well as a pleasure in the lives of your boys and girls. Your school board is very much interested in adequate music instruction for the children of Bedford, and specified in the selection of new teachers for this year that they must be qualified to teach music. I would like to see a music supervisor employed to spend one day each week in the schools of Bedford for the next year to organize a uniform music program for all the schools to provide initial instruction for new assignments and to see that there is a steady advance in the mastery of music.

The high school attendance from Bedford for the last ten years has been rather irregular, but during the present year there are thirty-five pupils enrolled in Manchester West, Manchester Central, and Milford High Schools.

The appropriation for high school tuition for this year was twenty-five hundred dollars; the amount necessary to pay the high school's tuition will be thirty-five hundred dollars. In order that the school board may be able to meet this extra thousand dollars in high school tuition, it seems necessary that the school meeting should vote to raise and appropriate

one thousand dollars as a deficiency appropriation to meet the increase in high school tuition.

The people of Bedford are to be complimented on the three active Parent-Teacher Associations. Such associations are a great asset in developing and maintaining parent-teacher co-operation, and parent interest in the school activities.

It is hoped that more parents will visit the schools and observe the work which is being accomplished.

ROLL OF PERFECT ATTENDANCE
